Dear Dr. Murphy,

Many thanks for submitting your manuscript, Forestry-2026-310, entitled "A spruce beetle susceptibility map of Alaska using Sentinel-1 radar and crown-scale mortality data" to Forestry: An International Journal of Forest Research.

Unfortunately, I am not able to proceed with processing your manuscript until the following amendments have been made:

- Please edit the first page of your main document according to the attached template.

- For the initial submission, your tables and figures must be displayed within your manuscript text, in the suitable locations in the main text to ease the review process (the original figure files can be uploaded at a later stage).

- Please include a Funding statement, Acknowledgement statement, Conflict of Interest statement and Data Availability statement at the end of your manuscript BEFORE the reference section

- Please add your data availability statement to your manuscript, please refer to the instructions:

https://academic.oup.com/journals/pages/authors/preparing_your_manuscript/research-data-policy#data2

Please use the attached template to guide you on how we expect manuscripts to be formatted before submission to the journal.

Please also refer to the online instructions to authors:

https://academic.oup.com/forestry/pages/General_Instructions

I have returned the manuscript to your 'Author centre' on Scholar One, where it is now accessible to you in the 'Unsubmitted and Manuscripts in Draft' section. IMPORTANT: when amended, please DO NOT submit your amended paper as a new submission please use the unsubmitted version and make the changes listed above, before completing the resubmission process.

If you have any queries or require any assistance please do not hesitate to contact me.

Kind regards,

Isobel Gavan
